Dear Friends,

As we approach the holiday shopping season, I wanted to make it easy for you to make sure the toys you may buy are safe for children.

I provided a list below or you can print it from our [Web site](#). This page also includes links to other product safety Web sites and lists to keep you well informed year-round.

As you know, I am working in Congress to increase funding to the Consumer Product Safety Commission to deploy more product inspectors to China. In July, I introduced the bipartisan Import Safety Act of 2007, authorizing an additional \$20 million for overseas inspections and increasing the penalties for unsafe importations from \$50,000 per incident to \$50,000,000.

As we debate a final appropriations bill this week, [I am urging](#) the congressional leadership to make toy, food and product safety a top priority.

It is an honor to serve you in Congress.

Sincerely,

Mark Kirk
Member of Congress
